

B2 Architects is currently seeking two individuals to join our architectural practice situated in Rosebank, Johannesburg.

1 x Architectural Technologist

1 x Candidate Architect

The role of the successful candidates will be to technically support the practice Architect with the management, design, and documentation of projects.

The ideal candidate for these vacancies will ideally meet the following criteria;

- Qualifications in Architecture
- Proficiency in Autodesk Revit is essential. A minimum of 2 years working experience using Revit in an office environment is required.
- Any advanced Revit courses would be beneficial.
- Proficiency in Autodesk Autocad and Office.
- Familiar with SANS 10400 and its regulations

Possible starting date: February 2018.

Please forward your CV's and Portfolios to the Rynette Sevenster: rynette@b-2.co.za
